

REMARKS

Claims 13 - 15 remain active in this application. Claims 1 - 9 have previously been canceled. Claims 10 - 12 and 16 - 19 are canceled above following a Decision on Appeal. Claim 13, previously indicated to be allowable, has been rewritten in independent form. No other amendments are currently presented and no new matter has been introduced into the application.

In a Decision on Appeal mailed January 14, 2011, the Examiner was affirmed as to rejections of claims 10 - 12 and 16 - 19. Claims 13 - 15 were not involved in the Appeal and, at the time of the Appeal, had been indicated to be allowable subject to being rewritten in independent form. Since the above amendment cancels claims 10 - 12 and 16 - 19 and rewrites claim 13 in independent form with claims 14 and 15 depending therefrom, it is respectfully submitted that the above amendment places the application in *prima facie* condition for allowance and such action is respectfully requested.

Please charge any deficiencies in fees and credit any overpayment of fees to Deposit Account No. 09-0458 of International Business Machines Corporation (Fishkill).

Respectfully submitted,

Marshall M. Curtis
